Message from Sheriff Gary "Stitch" Guillory:

The following downloadable documents are the necessary forms to be filled out if an agency wishes to sponsor a cadet to the upcoming Regional Law Enforcement Training Academy. Once they have been filled out and signed by the appropriate parties, please return them to the Regional Training Academy at 5400 Broad St., Lake Charles, LA 70615, attention Capt. Joshua Donovan.

The purpose of the Academy is to teach basic law enforcement principles and to satisfy P.O.S.T. requirements. Consequently, we take our duty to prepare all cadets seriously and our staff works hard to make sure they are exposed to a vigorous training program to best prepare them for their career as P.O.S.T. Certified Law Enforcement Officers.

You will notice our forms require a certification from your department, as well as the Cadet and a physician, that the Cadet is capable of safely participating in the Academy which will be both mentally and physically strenuous. If a Cadet cannot satisfactorily complete the program, including the physical requirements, they will not be successful in their attempt to graduate from the academy and there are no refunds. I point this out because I believe it wise for the sponsoring agency to do its' own evaluation of the Cadet's abilities before sponsoring them at the Academy.

We suggest every potential cadet start an exercise program twelve weeks before attending the academy to ensure they are prepared as best as possible for the physicality of the instruction and hope you will so instruct them. They should feel free to visit with their personal physician to ensure the program they choose to implement is appropriate and safe.

Thank you for sponsoring a Cadet and if you have any questions, you can reach out to Captain Joshua Donovan at 337-491-3852 or email him at <u>jdonovan@CPSO.COM</u>.

Thank you for your time.

Sincerely,

Gary "Stitch" Guillory Calcasieu Parish Sheriff

By reading this form, and signing below, applicant accepts and assumes all risks, in their entirety, and wishes to proceed as a cadet. Applicant acknowledges failure to complete any of the testing agilities may adversely affect their attempt to successfully complete or graduate from the Academy.

Either way, it is agreed and understood, that neither the Southwest Louisiana Training Academy nor the CPSO, their employees, or instructors will be responsible for these expenses and any claim for damages against the CPSO, the Training Academy, their employees or instructors associated in any way with the undersigned's attendance at the academy is waived by signing below.
